*Produit à la ferme, ce pois dodu et sucré produit en abondance. Il tolère bien le froid. Il a été développé par Dr. Calvin Lamborn (Utah 1960). Les semences proviennent de West Coast Seeds C.-B.*

*Grown on the farm, these extremely productive snap peas were bred by Dr. Calvin Lamborn in Utah (1960). Juicy pods that are easy to harvest. The original seeds come from West Coast Seeds, B.C.*
